BILL JOHNSON, EDITOR, 112 WILLIAM ST., WESTON
RES. PHONE 985J; BUS. PHONE LY. 2111.

BULLETIN No. 5

WEDNESDAY, NOVEMBER 14, 1951

All members are urged to make every effort to attend the next meeting which is to be held in Westminster Church basement, Wednesday, November 14th, at 6.30 p.m. sharp.

In honor of the District Governor's official visit, an outstanding programme has been planned. So let's all turn out and give Lion Dick Edmunds a real Weston welcome.

LION "BUD" RENNER

Lion "Bud" Renner, Deputy District Governor, made a lot of friends on the occasion of his official visit last meeting. His address, his friendliness, and general good humor impressed all and we sincerely hope that he enjoyed coming as much as we did having him.

AMONG THE MISSING

A further encouraging improvement was noted in the attendance of the last meeting but we are still striving for that 100% goal. To date the attendance percentage stands at 77%. The following were greatly missed from the previous meeting:

Bill Beardall, Harry Besley, Harry Brine, Bruce Cordick, Jack Deakin, Jim Ferguson, Mat Graham (ill), Jack Heard, Mike Jones, Ernie Millson, Ken McClelland, Bruce Pollard, John Ronaldson, Cec Simpson (ill), Bob Templeton, Stan Wilson.

Lions are further reminded that those absenting themselves from more than three consecutive meetings without making up their attendance, leave themselves open to suspension from the Club. There are so many ways that attendance may be made up that no excuses should be necessary, so how about it? "Jud" will be glad to give you your credit when and if earned.

SICK BAY

Mat Graham continues to make steady progress toward good health and is thinking of challenging any member in the Club to a one hundred yard dash. Lion Cec Simpson who has been basking in the sunshine of Daytona Beach looking over the lovelies—when Mrs. Cec wasn't along, of course—reports that he is about ready to return to the rigors of our bracing northern climate, much improved. This is welcome news to the members with a scientific turn of mind who would like to know on whom a sarong looks the better, man or woman.

"I was so cold last night I couldn't sleep. I just lay there and shivered."

"Did your teeth chatter?"

"I don't know, we don't sleep together."

THE TIE THAT FINES

A vote of thanks is hereby proffered to all those who helped to swell the Tail Twister's fine box by forgetting to wear their Lion ties on the occasion of the Deputy District Governor's visit. While we admit that possibly some notification should have been given we further suggest that some imagination should have been shown by the culprits, including your editor who was also fined, and would point out that it has not in the past been necessary to have the Bulletin remind you to wear pants or shoes, toupes, or dental plates. As the District Governor is scheduled to make his official visit at the next meeting, don't say we didn't remind you this time. WEAR THOSE TIES!

* * * *

GOOD DEED DEPARTMENT

It is extremely refreshing, and at the same time encouraging to find a group of people, outside the limits of the club, who are willing to stage an event at their own expense in order that an organization such as ours may benefit. Such a thoughtful group are those who staged the "All Western Horse Show and Roundup". Their committee was headed up by Bob Anderson, a personable young man, and they did a wonderful job.

The cute customer approached the floorwalker and asked:

"Do you have notions in this department?"

"Yes madam, but we have to suppress them during business hours."

* * * *

ACCOUNTING DEPARTMENT

Cliff Moon reports that while the collection of dues has been most encouraging, there is still an amount in excess of \$500.00 outstanding. None need to be reminded that this is a blot on the otherwise bright record of the Club so in order to prevent embarrassment to both the Board of Directors and yourselves please pay Cliff a visit and your bill at the next meeting. REMEMBER your dinner will digest much easier if it is paid for.

TOP BRASS DEPARTMENT

The following business was transacted by the Board of Directors at a meeting held in Westminster Church, Wednesday, October 24, 1951.

Minutes were approved as read by the President. The following motions were moved, seconded and passed. That:

The Board of Directors recommend to the Board of Trustees that Lion Harry De Wolfe be added to that Board to fill an existing vacancy.

That:

We carry on with our own regular meeting on November 28 which falls the day after our proposed visit to the York Lions Club.

That:

Letters be mailed to all who have missed four consecutive meetings notifying them that they would be dropped from the membership unless their attendance is made up prior to the next regular meeting.

Cliff Moon reported that the Blue Cross will not accept any new members from our group until March, 1952. Cliff will have more detailed information on Blue Cross in the near future.

Cliff Moon presented a statement of the General Account.

The Deputy District Governor spoke to the Board on his proposed idea of a zone building to help take care of the old people in and around the City of Toronto. Meeting adjourned at 9.15 p.m.

NEW APPOINTMENT

The Board of Directors take pleasure in announcing that their recommendation that Lion Harry De Wolfe be added to the Board of Trustees has been accepted. Harry's "wide" financial experience can now be used to advantage by the Trustees and none will disagree that he will not add considerable "weight" to that venerable body.

* * * *

CULINARY DEPARTMENT

No less an authority than the Deputy District Governor was heard to remark on how fortunate we were in having that wonderful group of ladies who so carefully prepare and excellently serve our dinners at such an economical figure. He didn't tell us anything we haven't known all along and while possibly we have been a little careless in not periodically reminding the ladies of our appreciation, we eagerly seize the opportunity to do so now, most sincerely.

* * * *

A VISITING WE WILL GO

For an outstanding night of good fellowship and entertainment mark this date on your calendars now—TUESDAY, NOVEMBER 27th. It is the occasion of our club visit to the York Lions Club. Details re location, transportation, etc., will be announced at the next meeting, so please come prepared to give a "yes" or "no" answer when asked your intention as to attending or otherwise. As this is our first official visit to another Club, Lions Jerry McLean and Doug Marshall, who are in charge of arrangements, will welcome any suggestions you may have to offer.

* * * *

HELP WANTED

Lion Walt Hall reports that while the Arena Booth is fairly well staffed during the rest of the week, there is a dire need of volunteers for Saturday afternoons—2.00 to 4.30 p.m.—and Saturday evenings, 7.30 to 10.30 p.m. Come on Lions, here is your chance to make up your attendance and help out the Benevolent Fund. Contact Lion Walt Hall NOW!

JUMP AND JIVE

Twenty-six lucky couples attended, and thoroughly enjoyed the informal dance held at the Old Mill following the last meeting. Les Ring, from all reports was in excellent form entertaining the Lions and their ladies in the Print Room with numerous piano renditions. The committee in charge did an excellent job and the thanks of those who benefited are gratefully offered. Let's have more of the same, fellows.

* * * *

BOUQUET DEPARTMENT

Many thanks to Lion Tamer Les Ring for his kindness in donating the new inserts to be found in the song books. They are a decided acquisition and are much appreciated by all.
